

TUFFSTUFF

THE GRP FLAT ROOFING SYSTEM

25 YEAR

product warranty

CERTIFICATE

This certificate confirms that the TuffStuff® GRP system comprising TuffStuff® resins, reinforcement and profile trims, when used as a fully integrated system are warranted as watertight for a period of 25 years from the date of manufacture (or installation date if within 6 months of the manufacture date) when installed in accordance with the methodology set down in the TuffStuff® Installation Guide®.

This warranty is expressly given to all TuffStuff® stockists and contractors purchasing directly from such stockists.

In the unlikely event of water ingress caused by a failure in the laminate due to a manufacturing defect in the TuffStuff® resins then sufficient TuffStuff® resins will be supplied free of charge to your contractor, to make water tight that area of the roof which has failed.

SPECIMEN

TuffStuff GRP is a brand name of Tuff Waterproofing Ltd

REV.4. SEPT 2015

CONDITIONS

1. The limit of all liability is the replacement cost of the defective TuffStuff® materials.
2. For a valid claim to be considered the contractor must keep records of all batch numbers affixed to all TuffStuff® resins together with purchase receipts in respect of these products. This information is required at the time of any claim to ensure that only genuine TuffStuff® products have been used throughout the installation.
3. This warranty may not be transferred to third parties.

Exceptions

1. Damage caused by any peril capable of being insured under a policy of insurance whether or not such policy is effective or in force.
2. Damage caused by excessive foot traffic. TuffStuff® is designed for light foot traffic only such as occasional access or for maintenance purposes.
3. Excluding cosmetic damage imperfections and/or flaws which have not caused water ingress to the area below.
